

## FOUNDATION MUTANYANA WERU SHORT ANNUAL REPORT 2012

In the beginning of 2012 Father André van Zon had big problems with the communication to our Foundation. For your information on the progress of our project in Maputo-Mozambique, we published our newsletter Summer 2012 which includes a trip report of two Belgium priests to Maputo. Their visit was in May 2012 and their report can be found on our web site in the chapter named: newsletters and gives an up-to-date view on the local situation. 2012 was a special year for our Foundation (we celebrated 10 years of support to the project in Maputo). And because of this we dedicated our Fall newsletter to this happening. This newsletter also can be read on our web site:

### Finances

In 2012 the Foundation transferred to Father André and his project in Maputo the amount of €20 000. Whereas the Foundations income in 2012 was €19651.72

On the Dutch part of our web site we published the financial data of the year 2011 of our Foundation as well as the financials of the project in Maputo. These data can be found on the Dutch part of our website in the chapter called 'Jaarverslagen' (annual reports): Annual Report 2012

These financial data clearly show that the only costs of our Foundation are those for registration of Chamber of Commerce and

costs for transferring money to Father André in Maputo. All our board members work on a voluntary basis and even our web site has been sponsored!!
