Dear Donor

It is with great shock and sadness that we have learned of the death of our beloved Father André van Zon.

He died on 1st Christmas Day, December 25th , 2021, in Maputo after a short illness from the effects of the Corona virus.

He would have reached the age of 84 by Jan. 1st 2022.

In accordance with the rules applicable in Mozambique and at his express wish, he was buried there on Tuesday, December 28th , 2021 at 9.00 am.

A memorial service was held that same day at 6 p.m. in the parish for which he worked .

A memorial service will also be organized in The Netherlands. The location, date and time will be announced as soon as we know – it is expected in mid-January 2022.

As a supporting Foundation of his work in Mozambique, we are currently considering whether and how we can continue the good work of Father André.

On behalf of the Mutanyana Weru Foundation
